OCTOBER 2009 / Vol.18 No.10

If our office was anything like *The Office* we witness when we join New Sensations on set this month (and what a cast: Jenna Haze, Alexis Texas, Ashlynn Brooke... see p56), then we'd never get this magazine out. But it isn't, so we have. You can enjoy another dose of Alexis Texas as she talks dirty to you (p14) and delights like the cream of Euro porn (Sandy, Sophie Moone – guaranteed dick-hardeners) in a hard 4-way (p42). There's anal as two hotties share hambone (p.20), and big names ahoy – Lanny Barby does Kayden Kross (p84), Carmel Moore does herself (p104). Good job we're workin'...

MY SEXY SECRET!

"I LOVE PUSSY!"

I was watching a really sexy movie with my girlfriend and starting to get wet down there. She must have noticed because she moved closer and held my hand. I always like the feel of her hands and the taste of her lips.

My pussy was pulsing and she was getting fidgety herself, so I slid my hand up her leg. That was all the encouragement she needed and she led me into her bedroom, shedding underwear as she went.

She lay on the bed and started playing with her silver bullet vibrator. I watched her stripper movements as she gyrated her hips, and took off my shirt and bra so she could suck my nipples.

I was getting wetter by the second. I started to finger-fuck myself and she flipped over so she could flick and lick my clit with her hot tongue.

She sucked me left to right and north to south, making me moan and scream as she pulsed her fingers inside me. I came so hard, and had dozens of little aftershocks before I switched places with her.

I soon had my face shoved between her legs, licking and sucking as I rubbed the vibrating silver bullet on her clit in circles. Her moans were getting louder and louder, and then she tensed up and exploded in an awesome orgasm.

She was still recovering as I got her strap-on cock, straddled her and started kissing and sucking her tits. I guided the toy into her juiced-up hole and started pumping into her. As I rubbed her throbbing clit she came again, so hard. Then she took the toy and fucked me with it, just as hard.

After I came again we were both exhausted, but we just lay there naked for a while with our fingers in each other's holes, giving each other more little orgasms!

ALEXIS TEXAS

SHE'S GOT A BUTT THE SIZE OF TEXAS, SHE'S FROM TEXAS AND, YUP, SHE'S CALLED ALEXIS TEXAS. WE GET UP CLOSE WITH THE BOOTY QUEEN OF PORN...

With Mick Blue in 3rd Degree's *Bleached To The Bone.*

HEIGHT: 5'8"
WEIGHT: 150 lbs
VITAL STATS: 36C-27-40
HOMESTATE: Texas

Tell us how you got involved in the adult industry.

When they were making *College Amateur Tour*, Shane's World went to colleges looking for girls to do a scene with a guy and I was that girl! Then Bang Bros shot me for *Ass Freak* in Miami and I saw what working on a real set was like since the Shane's World scene had been more of a reality shoot. I had a lot of fun so I moved out to LA and signed with an agency. I'd always been a sexual person but it's not as if I aspired to be a porn star, it just kind of fell in my lap and I was really nervous at first; I'd never even watched porn before. Roxy DeVille was in one of my first scenes with Jack Venice and she helped me relax, told me to have fun and made it less nerve wracking. I like what I'm doing, I like getting all pretty, I like the attention and it's fun!

Do you consider yourself to be an exhibitionist?

I was always comfortable with my body before but obviously I'm more comfortable now. I'd say I'm a minor exhibitionist, not a 'walk naked through the park' exhibitionist.

Are you a voyeur too – do you like to watch?

I do, I like to watch. I go through phases. Sometimes if I've never worked with somebody, I'll watch some of their scenes to see what they're like or maybe what they're into. Watching myself is a catch-22 because you want to see yourself but you're always going to be your worst critic. I have masturbated to the first scene that I ever did with Mr. Pete, but that was in the beginning and it was kind of exciting. When I watch it I can remember just how I felt in that moment and that turns me on.

What else turns you on?

A lot of things turn me on. In general, to me what's sexy and what turns me on is someone who's confident, not afraid to try new things and be open-minded. Some specific triggers are the back of my neck being kissed or attention to my feet. I have a foot fetish; I can cum if someone sucks on my toes for a long time. All your nerve endings are centered in your feet so having them touched, or licked or kissed, that's very sensual.

What turns you off?

I hate cigarettes, I don't like cigarette smoke and cigarette breath, I don't like that at all. I don't like arrogant people, people who think they're too

www.storemags.com & www.fantamag.com

good. I don't like over the top people, people with that 'oh my god, look at me' attitude, I don't like that. I like over the top in my scenes but not over the top in personality.

Do you prefer scenes with people you've worked with before or new talent?

It depends. Sometimes the scene requires something different from you and you never know what it is. Sometimes it's nice to know what you're going to get into because then you know people's limitations and also maybe a way to relate to that person.

What type of person appeals to you?

Definitely laughing is a factor, confidence, the ability to take care of themselves. I don't have one particular type, I love humor, I have to feel comfortable and know that I can be myself in front of them.

Had you been with girls before getting into adult?

I'd never been with girls at all and it was about a year before I worked with a girl on camera. In my early scene with Roxy and Jack, Roxy and I didn't do anything; the first girl I worked with was Brianna Love in *Monster Curves* for Reality Kings. I'd always been intrigued by women and turned on by them and Brianna knew what she was doing. I really enjoyed it and then went on to doing a girl/girl scene with Belladonna. Going from Brianna Love to Belladonna, both experienced women who know what they're doing, spoiled me and made me picky with the girls I work with. Now I only like working with girls that like girls.

Who are your favorite performers to work with?

I love Brianna; unfortunately she's not in the business anymore. Belladonna was great, I had the chance to work with Jenna Haze and she was great to work with; Kristina Rose, I've been fortunate to work with a lot

Learning plenty from Tommy Gunn in New Sensations' *Ashlynn Goes To College.*

of great girls. Mr. Pete, Erik Everhard, Michael Stefano, Alan Stafford. It's a mixture of their personality and sexuality that makes them special and with me these are the guys I'm most compatible with and I get along with them best.

Is there anyone you'd like to work with that you haven't had yet?

I've wanted to work with Jesse Jane. I watched the *Pirates* movie and the scene with her and Belladonna was pretty hot. I'd like to have sex with her.

Do you enjoy group scenes or prefer one-on-one?

I don't really do group scenes; it's not really my thing because it strays away from the personal connection of it all. I did do a blowbang for *Discovering Alexis Texas* with three or four guys, but lately I've been into threesomes a lot. I like the variety of me, a guy and another girl. I get to have it all!

Are you more dominant or submissive?

I go either way. In my personal life I'm a very independent woman, I think, but I'm submissive generally. I have done some dom stuff, I did some ass hitting stuff or the *Mean Bitches* stuff, I did a couple of those scenes. They're fun, it just has to be the right partner. In *Discovering Alexis Texas* I had a scene with Gianna Michaels and I was terrified in the beginning because I thought she was going to dominate me but it totally went the opposite way. In my scene with Bella our sex was totally sensual and nobody dominated anyone. I've done some fetish stuff too: foot fetish, ass fetish and face sitting stuff but not bondage or blindfolds. In and of itself it's not a turn-on; why should I do this if I'm not going to have sex?

Do you like to masturbate?

Oh, I masturbate too much. I probably masturbate two or three times a day. I have a Hitachi wand that's my best friend and I've named it Bob, my other boyfriend. We have fun times and I'm very partial to Bob because no other toy can do the trick for me. Bob is great.

What's the best way to get you off?

It depends on what I'm doing. Generally I can control when I can cum, I can do it mentally, and cum every time if I want to. Sometimes I don't just because I get annoyed or distracted, but generally, 90 percent of the time I can get off. It's clitoral for me. The only person I can squirt with is Mr. Pete and that's more internal.

Does size matter?

Sex is not necessarily all on the surface and it's not about how big your cock is. If you can fuck you can fuck no matter how big or small your dick is. I'm not a size whore; I generally don't like huge cocks but if I'm into a person it's not going to be as big of an issue as if I'm not into it.

And then there's the blowjob.

Oh yes, there is. In porn, I don't think any of the men could be considered small, but I haven't had any problems or complaints handling dick, I get along with just about everybody. I'm a spitter, I like to spit and make it very nasty and wet and get all into it. I like to get down and dirty.

What's your favorite position?

My favorite position is cowgirl because that's what I can control the most for myself and that's usually when I orgasm the most. I

Looks like Alexis could use a little cum-pany.

just like to shake my butt up and down a bunch.

And now Alexis Texas has had that butt breached!

I decided to do anal because it was the right time for me to do it and with the right person. I was given the opportunity to do the scene with Pete and I felt comfortable. I love Elegant Angel, they're a wonderful company to work for. For me it was very personal. It felt so good and so different from every other scene, it was special. I think it came across really great and that scene is in *Alexis Texas is Buttwoman*.

Do you have any other favorite scenes to recommend?

There's one in *Oil Overload* from Chris Streams with Erik Everhard that I really enjoyed and the scene in *Spring A Leak* with Mr. Pete was really good. I think these were probably two of my best performances. Also the scene between me, Gianna and Mark Ashley in *Buttwoman* was a really hot scene too.

What makes one of your movies special?

Because I'm real, having real sex and I really enjoy it. I wouldn't do it if I wasn't having a good time.

What do you think is your best feature?

I really would have to say my personality is my best feature. I try to always have a fun time and make people laugh and enjoy being around me.

Do you dance in clubs?

Not yet, but it's something that I want to start doing. I've been around for a few years and I want to start doing different things as well; I don't want to be doing the same things. I'd like to direct and do other things in other facets of the business too. There are other things that intrigue me that I'd like to do and hopefully in time, other things will happen for me.

How do you enjoy spending your free time?

I like basketball, though lately I haven't played as much as I normally would. I like doing water sports like wakeboarding and water skiing; I like the beach and being on the water.

How can your fans get in touch with you?

I love my fans and have fun with them when we have the chance to meet. Talking to all types of people in all facets of life is intriguing to me. I have a myspace page www.myspace.com/officialAlexisTexas.com and they can write to me at PO Box 18653 Ventura Blvd. #372, Tarzana, CA 91356. ♣

Some chicks do the nicest things. Mercedez can be a pretty freaky chick, but Zenza's cock is just far too big for her butt to manage. Luckily she's got a girlfriend, Lara, who's known as a bit of an anal queen. When Zenza gets home from the office, Mercedez has got him one helluva coming home present…

Your girl lining up her hot friend for an ass-fucking? That's a gift horse he's not going to look in the mouth. To be honest, the double blowjob they lavish on his length is almost enough to have him blowing his beans, but he manages to hold on long enough to plug both their pussies. The girls sure love playing together, sharing not just his cock but their pussy juices too. Eventually Mercedez grabs his dick and guides it slowly into Lara's yielding butthole. She lives up to her rep, bucking back onto his thick rod until it's completely swallowed up. He just concentrates on not jizzing, but there's nothing he can do when the combination of Lara's ass milking him and Mercedez pulling his cock out to suck it clean sends him over the edge. Lara says she'll give Mercedez some tips on taking that big dick in her butt, but that's something for another night… ♣

AMATEUR DVD DEN

THE HOTTEST IN HARDCORE ACTION REVIEWED BY OLLIE KRILL

JIZZ RATING

CUM BLAST!
A TORRENT!
A NICE SPLAT!
A DAMP PATCH!
A DRIBBLE!

I promise, from next month on, I will not bang my drum about 20-year-old MILFs or women of 35 popping up in 'Fresh Faces' movies. But that's from next month – ready for some drums, people?

COME TO MOMMA 3

STARRING: Francesca Le, Raquel Devine, Diana Doll, Brittany O'Connell, Holly Sampson, Chris Johnson, James Deen, Alex Gonz, Mick Blue.
DIRECTED BY: Mike Quasar.
AVAILABLE FROM: 3rd Degree.

MILFS / ONE-ON-ONE ACTION

Right now, you can't move for MILF movies in this here jizz biz. It's all 'MILF' this, 'Momma' that and 'Cougars are shredding my boxers' the other. But what I want to know is, do some of these so-called MILFs have their feelings hurt when they get the call-up to be in a MILF movie? I mean, I can see Lisa Ann or Shayla LaVeaux saying, "Fair enough, I'll be there." But some of these other broads have had porn careers that started approximately yesterday. Okay, I can appreciate why they're not getting called up for the super-newbie lines, but surely, at some point, a girl must have replied with, "I'm 22, dammit, I don't do MILF movies!" But then again, I've seen Asian chicks in Latina movies and vice versa, so I guess anything goes if there's a check waiting.

And there's a check waiting for me too when I've finished choking my chicken over this batch of hotties. Brittany O'Connell is right at the top of my surprisingly deep list of pale, big-titted, red-headed MILFs, and she heads up this selection, each scene taking it back with a cheesy scenario. This time she's hit Chris Johnson with her car but then heals him up real good with her cunt. If only this worked in all automobile accidents, I'd be doing 120 with my blindfold on daily. Anyway, she's certainly better at sex than Chris, who doesn't quite keep up with her.

Euro slut Diana Doll gets a Halloween visit from James Deen – dressed as a pirate – but it's a different kind of booty he's after. Seriously, that last sentence wrote itself. He looks dumb, she looks hot, they make nice with the fucking and he hoses her tits. Job done.

Holly Sampson is a big-titted blonde who also gets a piece of the Deen machine in a solid stroker, before covergirl Francesca Le falls prey to the old gardening cliché (seriously, it could have been a pump jockey, pool guy or pizza guy and I wouldn't have minded). However, this is a seriously watchable scene and Francesca is prime MILF material. Last up is Raquel Devine, who does some wonderful potty mouth as she makes Alex Gonz's nuts have less liquid in at the scene's end than they started it with.

SUMMARY: Good solid MILF fare from a good solid director. Will also make your dick good and solid.

PIECE OF ASS

STARRING: Teagan, Lindsey Meadows, Vanessa Gold, Stacey Shine, Anna Nikova, Paola Rey, Marie Luv, James Deen, Mick Blue, Michael Stefano, Marco Banderas.
DIRECTED BY: Mike Quasar.
AVAILABLE FROM: Zero Tolerance.

ANAL SEX

Well, there must be two Mike Quasar's out there. There's the super-qualified guy who made this month's MILF-fest *Come To Momma 3*, and there's the guy who basically takes a bunch of hotties, offers us anal sex, and captures precisely zero chemistry on camera. My dick usually takes to Zero Tolerance movies like a dog to a bone (I hope my dog doesn't fuck up that simile and go for the wrong bone at any point), but I could barely wake it up for this one.

You'd think a snoozy stick would be impossible in a movie featuring Teagan and Lindsey Meadows sharing a cock in the opener, replete with Teagan's asshole being crammed with its favorite filling, but there you have it. Even the veteran penis of Michael Stefano doesn't really get it going. The screen is full of passive dick-riding and Teagan is having one of her bad-boob days.

Things pick up slightly when the equally photogenic duo of Marie Luv and Paola Rey arrives to empty Marco Banderas' beans. There's some splendid dual blowjob footage but, when you're expecting the sex to explode, it just doesn't. It just goes 'Phut'. Oh well, at least they ate some jizz at the end, so they're not going hungry. Chez Me, I wasn't serving any up.

If Anna Nikova isn't European, I'll eat my hat (not a bad wager for me to lose – my hat is made from cheeseburgers) – and the equally European Mick Blue takes one look at her fleshy tits and decides he wants a piece of her action. Sadly, action is distinctly lacking. The tit-fuck outshines everything else. Now, where's that hat, I'm feeling peckish…

Will we find any heat here, or freeze to death in our search? Actually, we can warm up as slutty Sarah Wild gets James Deen to fuck her butt. At last – a babe who looked like she was wanting – no willing – her stud to go in her tightest hole. I even got a semi-on at this point, although it got no harder as Vanessa Gold misfired with Mick Blue and Stacey Shine didn't even give up the butt to the same stud in the finale. Come on, Quasar, we all know you're better than this.

SUMMARY: With an enticing cast of established stars and promising newcummers, this could have been something. Instead, it's something dull.

CRAZY 4 COUGARS

STARRING: Janet Mason, Shy Love, Lisa Ann, Shayla LaVeaux, Holly Halston, Brittany O'Connell, Raquel Devine, Sienna West, Chris Streams.
DIRECTED BY: Chris Streams.
AVAILABLE FROM: Jules Jordan Video.

MILFS 'N' MAMS / POV POLING

Now here's a porno that'll have you emptying your wad all the way to the bank. Although if the teller at your bank is anything like the teller at my bank, you'll be politely asked not to make that kind of deposit again, thanks very much. Chris Streams has stepped up his directorial game since hooking up with the fine folks at Jules Jordan Video, and here he's shooting his huge loads over a bunch of MILFs in POV mode. I'm not going to keep banging on about MILF classification, but as Cougars are supposed to go for younger guys, and Streams has to be older than a couple of the chicks he boinks here, let's just say I'm keeping my eye on the situation.

However, my all important dick eye cares nothing for this and just cares about the non-stop action as eight scenes – count 'em – unfold for your jizzing pleasure. All the scenes are pretty similar, but as they're also all pretty good, you won't find me complaining. Redhead Janet Mason is the first to unleash her curves, and soon it's all blowjobbing, handjobbing and titty-jobbing. Although 'jobbing' makes it sound like a chore, while it looks like these sluts are loving it. Raquel Devine keeps up the quality after this 50 minute scene (!), before Shy Love really turns the heat up in scene three. She's as much of an MILF as I am (just to be clear, that's not at all), but her intensity justifies her selection, as does her anal riding and the huge glob of guy goo she gets to the grill. At this point, I jerked off and couldn't stop before the next scene, which is all you need to know.

Happily Holly Halston got me going again, and then disc two kicks off with Sienna West using her tits to earn another fat load. The legendary Shayla LaVeaux adds some star factor and proves she hasn't lost it, while little Miss Career Renaissance herself – Lisa Ann – also puts in a very good shift. And to top it off, Brittany O'Connell's oral antics and titty-fucking coax another stream from Streams. Cougar confusion aside, this is 5 stars. Take that to the bank.

SUMMARY: Eight scenes of pretty great MILFs using their wiles to grab themselves a massive blast of jizz. Just get on with making the sequel, already.

FUCK MY WHITE ASS 5

STARRING: Bobbi Starr, Trina Michaels, Claire Dames, Kelly Devine, Krissy Leigh, Nathan Threat, Nat Turnher, Ethan Hunt, Prince Yahshua, Lee Bang.
DIRECTED BY: Tony Flush.
AVAILABLE FROM: Black Ice.

EBONY 'N IVORY / ASS PACKING

Trust me, the title of this film is a bunch of words you would never find me saying out loud. I'd even have to order it online because if I asked for it in a store someone might take it the wrong way and see it as an open invitation. Although, maybe I'd say it to Marie Luv if she was wearing a strap-on, but that day may never come.

Kelly Devine kicks off this set of interracial anal festivities, doing a mini-interview and some tease before choking on the dick of Nat Turnher. She can really deepthroat that big thing and, as ever, she looks a ton of fun to fuck. He really pounds her pussy, so the only disappointment here is that the anal doesn't get anywhere near as intense.

Bobbi Starr keeps the level high, sucking Prince Yahshua down to the nuts and then taking his ebony bangstick in her other two holes as well. It's good watching, but Bobbi does scenes like this in her sleep, so I've definitely seen a couple of dozen in the past month or two that better it. That said, her cum hunger at the end is a thing of joy.

Krissy Leigh goes through the same chit-chat, and she's a so-so-blonde with small tits and knee high socks. Nathan Threat toys her twat then gets his tongue in there too. Average head leads to average sex leads to a below average load. Seriously, turn up for work with something in your nuts, guys.

Claire Dames would empty mine, and she finger fucks her own ass before Ethan Hunt joins for her what definitely looks like a good time. Some good angles and plenty of ass to mouth make this another one to touch yourself near.

Last up is the reliable Trina Michaels. You can rely on her to do the job and you can rely on her to take it in the keister. Lee Bang lives up to his name, and that's all she wrote.

SUMMARY: A model of fine interracial ass-fucking, with a light-hearted approach and some really hot girls.

HEAVY DUTY 3

STARRING: Phoenix Marie, Madison James, Nikki Sexx, Andi Anderson, Beverly Hills, Alex Gonz, Jenner, Talon, Mark Wood.
DIRECTED BY: Gregg Alan.
AVAILABLE FROM: Diabolic.

BIG TITS / BIGGER CHICKS

Maybe I just care too much. Maybe I just have a heart that's meant to give love and a penis that's mean to give a strange milk that ruins the carpet. But having spent half the last month worrying about how 24-year-olds feel about being cast in MILF movies, I'm now worrying about the emotional state of women who aren't all that big being cast in the *Heavy Duty* series. It advertises 'Thick chicks with fat tits', and on this it mostly delivers, even if some of the chicks aren't that thick, and some of the tits are positively perky rather than fat. Maybe I need to stop worrying more and play with my special front tail more.

Euro hottie Andi Anderson has a little thickness around the middle, but that's just more space for her to store Talon's tool in. And her tits aren't so much fat as a little disappointing. That said, she still churns my sperm urns, and while the scene doesn't write any new porno history, it's some nice one-handed watching. The director has clearly decided there's enough of Beverly Hills to go around, and so this pretty serviceable chick (and boy, do they service her), gets the dicks of both Alex Gonz and Mark Wood. After some preliminaries they graduate to a DP, although it seems that Alex drew the short straw as he just gets to do her pussy. And keeps disappearing. Maybe he had something better to do than fuck a cute girl in the ass, whatever that might be.

Bottle blonde Madison James gives Alex something else to do in the next scene, but it's a scene that you may end up skipping, much as I did. Then again, it's not like Nikki Sexx's hook-up with Jenner is exactly a keeper either. There's more energy, some boob-banging and even some elusive chemistry, but she just plain ain't hot enough for me. Damn, now I'm the one hurting people's feelings.

Save your goo for the finale – Phoenix Marie deserves her cover spot and her scene with Mark Wood is streets ahead of the rest. She rides him from all angles, slaps his meat between her titties and then stores it in her ass. They end with an anal creampie and some oozing. I oozed a little myself, I must confess.

SUMMARY: A lot of this is straightforward average sex, but it's worth a rent for Phoenix Marie's scene alone. She'll make your dick feel nice.

FRESH JUGS 8

STARRING: Gianna Michaels, Jasmine Black, Janet, Siena, Dominno-Isabela, Cassandra Calogera, Mick Blue, David Perry, Bruno SX, Kamil Klein.
DIRECTED BY: David Perry.
AVAILABLE FROM: Zero Tolerance.

BIG BOOBS / STRAIGHT SEX

Of all the jugs in the world, I think I like fresh ones the most. Stale jugs? If that's all that's left, I'll take 'em – a jug is a jug is a jug – but I go for the fresh ones usually. And do jugs come fresher than those of Gianna Michaels, perched there on the cover waiting for a cock to be slid between them, or for a load of jizz to be splashed on them? Or just to be licked. Man, she's got some titties alright.

Veteran Euro stud David Perry helms this, and he gets the big guns off first, Gianna paired with Mick Blue for a scene that surely can't fail, can it? No, it can't. Her tease is better than most chicks' intense anal sex, and Blue knows how to keep pace with a performer like Gianna. She rides him, lets him eat her biscuit and then the coup de grace – a trip into the tit valley. Eventually he glazes the jugs. It would be rude not to.

My, but he has front-loaded this movie – no pun intended. Jasmine Black is one of the hottest and nastiest big boob Euro sluts around at the moment – you'll have seen her plenty in this here magazine. She's twinned with the tool of the director himself and it's not her finest hour. She's normally more focused, so although the tit-play and anal are here, we've seen 'em better elsewhere.

Janet's no looker, but Bruno can't take his hands off her tits and I can't take my eyes off 'em. Cassandra Calogera is a notch up, and her natural norks flop around hypnotically as the director pumps her pussy. Good boob-banging rounds this one off. Siena's scene is a skipper – sorry, not hot enough – and the finale with Dominno-Isabela only a little better. Yup, the director blew his wad a little too early to maintain interest through until the end.

SUMMARY: Chances are that if a big-tit movie opens with Gianna, it's all downhill from there. This doesn't buck the trend. ♣

When Sandy invites her girlfriends Sophie, Cherry and Jasmin to her vacation villa, long walks and sightseeing aren't on the agenda. Actually, they are, but everyone's best intentions disappear once it's clear that putting four constantly horny sluts in one place can only end one way.

The rest of the world might as well not exist the way this quartet tears into each other, panties getting yanked to one side so they can all feast on each other's fuckholes. Sandy's tongue is a veteran explorer of many twats, so she gets first suck on each cunt in turn, sampling the subtly different juices and then bringing her fingers to the party too.

Sophie pulls herself away to move behind Sandy and bury her face between her ass cheeks, spending equal time on her damp pussy and inviting asshole. Cherry and Jasmin arrange themselves into a 69 that has them both finger-fucking each other like crazy.

The seaside sounds are drowned out by slurping and moaning as the girls start to cum, their cream splashing out to get lapped up thirstily. Of course, this is only day one of the vacation, there's a lot more of this to come... ♣

TYPING POLE!

COMBINE AN A-LIST CAST AND A SPOOF OF A HIT TV SHOW, AND WHAT HAVE YOU GOT? A REASON FOR ACME ANDERSSON TO GO DOWN ON SET WITH NEW SENSATIONS AND WATCH THESE STARS DO EVERYTHING BUT WORK...

THE OFFICE
STARRING: Ashlynn Brooke, Dahlia Denyle, Codi Carmichael, Gianna Michaels, Faye Reagan, Jenna Haze, Alexis Texas, Stephanie Swift, Rocco Reed, Ralph Long, Dane Cross, Mark Wood, James Deen.
DIRECTED BY: Lee Roy Myers.
AVAILABLE FROM: New Sensations.

Time was you could just take something from the mainstream vernacular, give it a playful porno twist and you had a workable XXX title. *Long Dong Silver*, *On Golden Blonde*, *Shaving Private Ryan* – we've all come up with them at one time or another and thought: that would be a great name for a porn movie!

Those were simpler times, when name alone could sell a movie. Today's adult connoisseur demands more. He wants you to back it up with a parody that reflects the original – and no skimping on the sex, either! New Sensations hears your cries and has come through with a movie that works on both sides of the pond, an adult-themed spoof, *The Office: A XXX Parody*.

It's a parody that works in the UK and in the US, with the latter country ripping off the brilliant British original series and making a less creative but no less popular version for its citizenry [personally, I think the US version is superior – The Editor]. In the inspired hardcore version, the

characters are all there and it plays out in surprisingly humorous fashion. And with this amazing cast – the ladies include Ashlynn Brooke, Jenna Haze, Dahlia Denyle, Codi Carmichael, Gianna Michaels, Faye Reagan, Alexis Texas and Stephanie Swift – this is an office with loads of fun!

Dahlia is sitting quietly at her desk when Rocco walks in, slides behind the desk with her and, without a word, picks up the brunette beauty and sets her on the furniture. He sweeps a stack of papers and the phone away and plants his face between her legs. Ralph then joins in the fun, dropping his pants and shoving his dong in her mouth.

While Dahlia manages to keep her clothes on, that doesn't get in the way of the guys going deep. Ralph stays on mouth duty as Rocco moves his cock up and into her snatch. Rocco gets his thrusts moving and Ralph rips off Dahlia's blouse and bra, revealing small, appetizing breasts. Ralph sucks on them hungrily and she moans lustily.

"Omigod, yeah," she yelps. "Fuck me harder!" Ralph's cock slips back into her mouth, allowing only muffled moans out of the pretty thing.

Rocco pulls out and they swing her around the desk, allowing Ralph to get his piece in her pie. He takes her in spoon and she swallows Rocco's rod, coming up occasionally for air and to moan things like, "Oh yeah, fuck my pussy!" and "Your cock feels so good!" Dahlia swings a leg over Rocco, spreading her legs as wide as possible, exposing her shaved girlhole, which she and the guys agree is quite tight.

Ralph lies down on the desk and Dahlia claws her way on top of him, reaching back to spread her cheeks so his cock enters easily. Rocco stands up on the desk so the riding cowgirl can lick her juices off his cock.

As Ralph picks up steam, her heart-shaped ass jiggles toward the camera. "Fuck! Fuck! Fuck! Fuck!" is all she can manage as the cocks take charge and she goes on sexual autopilot, doing what she does best. She sits and spins 180 degrees for a reverse cowgirl, Rocco picking up momentum like a jackhammer, and her gulping moans increase until she has to remove her mouth.

Her middle and ring fingers dance on her clit while her pussy is visibly stuffed with schlong. Not yet done with her, the guys bend her over the desk. Rocco

Alexis Texas and Ashlynn Brooke fuck a guy who probably won the lottery on the same day too. Lucky bastard.

www.storemags.com & www.fantamag.com

squeezes his rod into her tightness. "Oh, fuck yeah!" she groans loudly. She twists her head as she blows Ralph, who holds her hair back in a ponytail to keep it out of her face. She grunts and groans as she gobbles, finally taking most of Ralph's cock for a few seconds as she cums.

With Dahlia spent, it's time for the guys to cash in their money shots. Miss D gives them a double blowjob. "I want your cum," she purrs, sending the guys to jerk their dongs on either side of her face. She strokes them both and alternates pricks in her mouth. Rocco goes first, his splooge making a rush exit from his tool to her lips. Ralph goes next, blowing wad over his coworker's cream.

It doesn't take much for a couple of blonde beauties like Ashlynn and Alexis to get Mark out of his pants – and he is kindly rewarded. Alexis finds her knees first, offering a blowjob that features two hands twisting up and down his shaft as Ashlynn watches, big smile on her face. Soon she joins in, stroking Mark smoothly into her mouth. Alexis takes over again, allowing Ash to get naked and set herself next to Mark. Alexis then takes turns mouthing each, using hands and fingers when she's not sucking. But Ashlynn gets cock crazy watching Alexis do all the dick devouring and joins her friend as they take turns, sucking, stroking and ball-sucking.

"You wanna fuck me?" Alexis asks, her ass jiggling behind her. "You wanna fuck that little pussy?" Mark manages to pull himself off the desk and finds his way around the girls. Alexis jumps on top and spreads her legs. Mark drives right in and hits the spot almost as soon as he's parked inside her velvet underground. Ashlynn sits on her galpal's face and takes over clit duty and within moments is shaking through an orgasm.

"You like fucking my pussy while you kiss her?" Alexis asks as Mark and Ashlynn make out above her. Ashlynn's move forward gets Alex directly beneath Ash's ass, sending Ashlynn into her own fit. "Eat that ass!" she yells. "Eat my fuckin' ass!"

Mark retreats to the sanctuary of his office chair and Ashlynn follows, mounting him in reverse cowgirl while Alexis makes her presence known by playing with Ash's tits and clit and even sneaking in some shaft stroking when Mark's dick is shallow inside Ashlynn's cooch. And then it's Alexis' turn. She leans over him, jiggling her plump rump toward the camera as she lowers down. She rides him hard as Ashlynn plays with the shaking derriere. Mark simply holds steady, cock disappeared deep into the cooze, hands on Alexis' tits, eyes locked deep. "Give it to her hard!" Ashlynn tells him. "Give it to her hard!"

That's the kind of blowjob that could make us Cody-pendent.

Gianna Michaels is a firm believer in Faye Reagan-omics.

www.storemags.com & www.fantamag.com

Alexis' moans get louder as her breathing gets heavier. "Omigod, you're gonna make me cum like that!" Alexis shouts and then, for a moment, her body seems to freeze completely before her muscles relax and she crumples.

Mark stands up to take charge again, this time taking Alexis doggie style. "That's how you want me, huh? You want to look at that big ass, don't you?" She smiles as her check rests on the desk, submitting to Mark as he rams her deep. "Oh, that feels so good!" Alexis moans, reaching back to spread her ample cheeks wide open. "You're so deep inside my fuckin' pussy. Oh-my-god!" With that, Mark announces his exit plan, pulling out and splooging all over the famous Alexis backside. Ashlynn reaches in to jerk out any spare drops and they're done.

Meanwhile, Dane is sitting on the couch in his office, fully dressed as Codi drops her top and then easily entices him out of his pants. She gulps and gobbles his prick, anxiously pulling it into her throat as Dane watches her with thrilled satisfaction. She nearly manages to deepthroat his growing beef stick, then focuses on his balls as Dane struggles to get her out of her skirt and panties. It would be easier, but she simply refuses

to remove her mouth from his dick.

"I like your tie," she says, grabbing it, pulling him toward her and onto the couch and his head toward her snatchola. "Wanna lick my kitty cat?" He laps at her excitedly and her volume rises. She shoves a couple fingers inside and removes the gleaming digits and plugs them into her mouth. She sucks on them, then asks if he's going to fuck her.

He doesn't need an official invitation, instead rising to the occasion and sliding in easily. "Oh yeah!" she screams. "Yeah, do it!" She looks up at him with big blue eyes, mouth agape, fingers dancing quickly on her clit. Dane takes one of her legs and holds it against his chest, pummeling away at her sweet spot.

"I wanna ride that fuckin' cock!" she says, pushing him up so she can jump on. Her big tits bounce as she flies up and down, her fingers still going crazy on her love dot. With her spare hand she reaches back and grabs onto Dane's tie, hollering away, "Oh, yes!" Fuck... yes! Fuck! Fuck! Fuck! Yes!" She settles in, bends forward, planting her hands on the floor, grinding hard.

Dane takes charge, bending her over the couch, her head resting over the back of it. "Oh, fuck yeah! Omigod! Fuck yeah! Oh yes! Fuck my pussy! It's so fucking wet!" Dane slides in and out, hardly making a sound, but listening, increasing the speed of his thrusts when she asks him to "pound it," and "hit that shit hard."

They move into a spoon and she asks him a silly question: "Wanna fuck me some more?" He answers not only by fucking her more, but by fucking her harder. The couch squeaks and shakes, something is pounding on the wall and finally they have topped out and fall into each other.

She wants to get on top one last time, so she hops up, riding him cowgirl. Her tits bounce in Dane's face as she turns around to see, one hand pulling a cheek aside. "Oh yeah, fuck me, baby!" she yelps. "Are you ready to cum?" He tells her he is and she gets on her knees and jerks him off onto her chest. She rubs it in, shoots a sultry smile at the camera and it's quitting time. If you're looking to work more hours, then why not visit www.newsensations.com. ♣

A DEVIL FOR DICK

Last Halloween I went to a costume party with some college buddies. I always used to dress for laughs, but this time I picked a sexy devil costume, including a red PVC corset. As well as cinching in my waist, it shoved my rack right up and made my booty stick out – instant boner for plenty of guys.

It unleashed my inner tramp, too, got me flirting with guys I'd normally consider out of my league. This made things interesting. I'd already made out with a blond guy named Steven when Jay, whom I'd been crushing on all year, hit on me. Lucky they were good buddies who didn't mind sharing!

We split from the party, and Steven said maybe we should hit the local graveyard. "Cliché…" I said, but I was in the mood for a real sleazy fuck.

Jay knew just the place – a yard that led off of an alleyway, full of trash and dumpsters. And, though the entryway was dark, we set off a security light. Jay said, "Cool, we wanna see everything!"

I didn't deny them. I let them strip my skirt off, leaving me in spike-heeled boots, my corset, fishnet stockings and garters. Jay rearranged my rack so my nipples were just peeking out over the top of the corset.

"Lipstick?" he said, and smeared some on his thumb, using it to redden my nipples. Then he told me to put more on my mouth, real thick.

Steven, meanwhile, was in behind me, playing with my curvy butt. He sunk down and started to eat my crack. Jay was sucking on my tits, my body squirming and gyrating between them.

Now Jay gave me a kiss – just tongues so he wouldn't get a face full of lipstick. Then he tangled his fingers in the back of my hair, gently guiding my head downward. I got the message, unzipping his fly, freeing his cock and licking around his helmet.

Just as I felt him get a little frustrated with my teasing, I opened wide and took

KAYDEN & LANNY

Kayden Kross and Lanny Barby might not have quite mastered interior decoration – maybe some framed pictures would work better than a bunch of CD's stuck up on the wall – but they're past masters of interior exploration. Give them a free evening and a couple of toys, and they'll tell you everything you need to know about female anatomy.

Kayden specializes in tits and pussy, sucking on the former while she fingers the latter, until the warm squelching of Lanny's hole becomes too tempting and she has to suck on that too. Lanny tells her she's in the mood for a fat dildo stretching out her cunt, so Kayden duly obliges. She spits on the fat toy first, then slams it in as Lanny splays her legs wide, building up momentum until Lanny begins to tremble and cum, her juices leaking out around the toy.

Lanny has a toy of her own she can't wait to put through its paces, and Kayden is a more than willing subject. Her pussy is dripping before Lanny is even near it, so the dildo glides in up to the hilt and her cunt muscles clench around it as she climaxes in mere seconds. So, who's got time to decorate when you can spend your time fucking each other like crazy? ♣

www.storemags.com & www.fantamag.com

I opened wide and took him down my throat, pressing my lips around his shaft as I pulled back, root to tip

him down my throat, pressing my lips around his shaft as I pulled back again, streaking it root to tip with scarlet lipstick. I paused for a second, letting him look down at it, and at me. Then I wiped my mouth, deliberately spreading lipstick up my face, and went down on him again, taking it deep.

I got so lost in sucking dick, I barely registered when Steven kissed each of my butt cheeks. But I sure as hell felt it when he put his cock up to my pussy, then pushed in. I let him move my mouth on and off of Jay's prick, just letting him slide down my throat and out again.

Suddenly we realized we had an audience. Some guy who'd wandered down the alley, probably looking for a shortcut or to take a leak, and had stumbled on a live hardcore fuck show. I noticed a movement in the shadows as he jacked himself, and told him to come take a closer look.

The guys kicked it up a notch, fucking my mouth and pussy hard. I felt my tits spill over the top of the corset, slapping together with every thrust. Now Steven pulled out and walked around in front, jacking his pulsing, juice-drenched prick, hand slipping all over the shaft. I spit out Jay and took over jerking both cocks, aiming them at my boobs. One little sneaky pussy-flavored suck on Steven's boner was all it took – then I had his cum gushing out all over my shoved-up rack.

Jay lasted a little longer. It took all I could give him with both hands and my mouth to get him spurting on my rack. But when he came, it was like each of his balls carried a double load. My tits aren't small, but they were totally swimming in thick white jizz by the time I licked the last drops off of his cock-tip.

Our audience – a guy in his forties, I'd guess – was still beating his meat. I felt tempted to give him a quick suck, but he was close enough already. "Okay, give it to me," I said and he moved in, hand blurred on his shaft, to blow a third big load on my sticky tits.

My craving for sleaze fulfilled, I let the guys take me back to Jay's place. There we all crammed into the shower where they scrubbed me clean, then gave me all the cock I could handle in a night.

MILF BONE

I've been dating Sarah for the past six months despite the fact that she's awful in bed. To the naked eye she has got to be one of the most beautiful girls ever created, with flowing blonde hair, big blue eyes and the perkiest tits that were made for sucking. At first she seemed like the ideal catch, until we began to fuck. To my surprise, she simply laid still like a dead fish, complaining throughout and not putting forth any effort to be playful, energetic or enthusiastic. The only reason why I continue to see her is because I've got the biggest crush on her mother, Lucille, a drop dead gorgeous MILF who is known around town for being one kinky bitch.

I find myself visiting their house at times when I know Sarah is not going to be home. Lucille loves the time we spend together watching movies, chatting outside on the patio, or preparing food in the kitchen. She's hinted that she'd bone me in a second if I weren't involved with her daughter.

One day last week while Sarah was at work I decided to make my move. My cock had been teased for far too long and I needed some relief. I let myself into the house and made my way to Lucille's bedroom. When I walked in I heard the shower running, so I went into the bathroom, stripped down to my birthday suit and grabbed a fluffy white towel. As I heard the shower being turned off I opened the door and surprised Lucille with the towel in one hand and my hard cock in the other.

"What do we have here?" Lucille said with a devilish smirk. "You know Sarah's not home... Is that for me?"

I nodded and grinned. Before she had time to take the moral high ground I gently pushed her down by the shoulders and tapped my cock against her cheeks, her mouth and her forehead.

"We both know how much you've wanted to suck on this," I said. "Open your mouth wide." She did as I told her without a moment's hesitation, and I stuffed my meat all the way down her throat until her lips were grazing my crotch. Then I clasped my

hands behind my back and let Lucille take control.

She grabbed my cock with both hands and began to suck it better than it had ever been sucked before. She spiraled her hands around my bone and popped my balls into her mouth, juggling them around her cheeks like they were two meaty marbles.

"Fuck, this is good!" she gasped, as she switched things up and began to lick the rim of my asshole. I was a bit surprised at first, but it felt so good that I simply had no choice but to surrender to her tongue.

After several minutes of bliss, I picked Lucille up and carried her to her bed. I rested her on her back and got to work on her big meaty clit. As soon as my tongue touched her pink spot it became drenched with her warm cooze cream. I lapped up every last drop and continued to suck on her puss until she came all over my mouth.

"Stick that hard cock inside of me," Lucille purred. Since she was wetter than Niagara Falls, my cock slipped right into her experienced hole with minimal effort. And despite having been around the

block more times than the average woman, I was shocked to find that her pussy was still incredibly tight.

I propped her legs on my shoulders and continued to pound her snug hole until my entire crotch was dripping wet with cum. She sucked me off as we switched through several positions.

"Fuck me in doggie!" she called out, so I bent her over and skewered her in the ass. She took it like a champ and even managed to rip her nails through the bed sheets to show her utter excitement at being fucked so damn good.

After what seemed like two hours of nasty fucking, I laid Lucille across my lap and jerked my cum load over her ass. Truth be told, I may just have to marry Sarah to ensure that I keep getting access to Lucille's hot body.

OFFICE BOFF

My husband Chris was putting in yet more overtime at the office, so I turned up in a slutty dress under a trenchcoat, and bribed the guy in the lobby with a quick flash and a twenty to let me through unannounced.

Then I found out why Chris was always working late – I walked in to find him nuts-deep in a female colleague who he'd bent over his desk. We have an open marriage, have even swung a little, so I wasn't totally surprised. And when I strutted in front of them, he held it together, saying, "I'll be with you when I've finished." Like he was making a phone call or something!

I'm 30 and the girl was maybe eight to ten years younger, but she wasn't fazed either. She gave me a sassy look and said to Chris, "You're right, your wife is really sexy." At least he'd been saying good things about me!

He kept plowing this little tramp's cunt real slow, only speeding up some when I let my coat fall open and started running my hands all over my tits. My pussy was throbbing inside of my tight panties, and Chris told me to play with it, to get it moist and slippery for his cock.

Not that I'd be getting that any time soon. He was stroking in faster now, trying to hold back, but the girl was clenching tight, squeezing his prick inside

her. I saw the telltale signs, then heard a groan as he blew his wad.

"Come here," he said, and had me kneel down, so I could watch close-up as he pulled out. Her cunt was so wet and open, all creamed up, and Chris told me to lick her clean.

The little bitch – Alyson – was loving this scene, but I love eating pussy and swallowing spunk, so everyone was happy. And I got kind of a nasty thrill as I heard Chris moan – this was obviously too much for him so soon after cumming.

I could also tell why he'd found it impossible to say no to this chick's twat – she was so tight around my tongue and fingers. I can only imagine how it must have felt tugging on his dick as he fucked her.

Once I'd licked up every last drop of spunk I began to finger her clit and G-spot, which instantly set her off moaning. "Does he make you cum like this?" I breathed. She didn't answer, though I guess her whimpers of pleasure told me more than words!

Soon Chris was jacking himself hard again, and moved closer to feed his dick into my mouth. Now I was tasting Alyson off of him.

"Wanna get on the desk?" he asked. Sure I did. I laid back, pussy twitching as he tapped and rubbed his helmet against my clit. Then he stuck it in my cunt for four or five slow strokes, only to pull out again.

He said Alyson had never taken his dick in her butt, so maybe I should show her how good it could be. I shot her a look – my husband is such a player sometimes! – but as he touched his wet tip to my asshole, I took a deep breath, then took him in.

My knees were bent, feet resting up against his shoulders, laying me totally open. My pussy was already streaming

My pussy was already streaming over his cock and balls as he plowed my backdoor. My first orgasm hit in seconds

over his cock and balls as he plowed my backdoor. Alyson just watched at first, then Chris beckoned her over, grabbing her hand and rubbing her fingers up against my clit. My first orgasm hit in seconds, and I just kept on cumming.

"Sit on my face," I told her. She got on me in a sixty-nine, squatting over my mouth while her hand was on my clit as she watched his dick pound in and out of my asshole. I licked her snatch, then began lapping the juices and saliva over her butt, before sliding a finger inside. "Feels good, huh?" I asked her. She moaned a yes, so I inserted another.

I fingered her butt and sucked her clit, and got her cumming as hard as Chris's cock got me. He was fucking me hard and fast now, then his jizz just exploded out, filling my asshole.

We called it a night after that, giving Alyson a ride back to her boyfriend's place, then went back home for one-on-one fucking. But I've insisted Chris invite Alyson to our place on Friday night for dinner, then maybe a weekend-long threeway to follow…

BIRTHDAY BOINK

There's a local bar in town where all the sexiest cowboys and cowgirls go after work to let loose and unwind. Aside from the good ol' fashioned country music and discounted beer on tap, this bar is best known for being a place where swingers go to find choice treats to take home and sample with their partners.

Although I've never before taken anybody home to my girlfriend, I thought that a hot blonde with big tits would

www.storemags.com & www.fantamag.com

make for the ultimate birthday gift. With that in mind I headed down to the bar after work to see what I could find. As soon as I walked in, my eyes were immediately drawn to a hot chick at the bar. She looked incredible, wearing pink cowgirl boots, a crotch length denim skirt and a bright smile that beckoned me in like a moth to a flame. Most importantly, I noticed that she was declining every advance she received from the band of horny cowboys that were hot on her tail. This could only mean one thing. She was hot for girls and I was in with a shot!

"Hi sweetie, I'm Veronica," I whispered in her ear, making a point to touch her skin with my lips. Her skin immediately began to chill up with bumps so I knew I was good to go. She asked me to sit down next to her, spreading her legs out in my direction so I could get a glimpse of her pretty beaver that was rimmed with curly blonde muff.

"How about we take this party to my house?" I suggested once she began to

I stayed munching on her clit for a good ten minutes before plugging up her pussy and ass with a bunch of wet fingers

rake her fingertips against my skinny jeans. On the way home I told her all about my girlfriend Marie and she was more than anxious to tear us both up.

Just to make sure I was bringing home quality coochie to Marie, I pulled over on the side of the road so I could get to work warming up her hot little hole. So there I was, in the backseat of my car on the side of an old dirt road with my tongue wedged up the pussy of a total stranger.

The whole eroticism of it all made her cunt taste so damn delicious. I stayed munching on her clit for a good ten minutes before plugging up her pussy and ass with a bunch of wet fingers. This did the trick. Before too long my fingers were positively dripping with warm pussy gloss. Moments before this girl was about to cum I pulled my fingers out, saying: "No. We have to wait for Marie!"

Needless to say, Marie was quite surprised when I walked through the door with a hot blonde stranger beside me. "Happy Birthday, baby," I announced, grabbing both girls and leading them to the bed. Marie and I worked in unison to get our new friend naked in record time. I let Marie continue on her clit, while I sucked hard on her thick nipples. Since I had warmed her up so well, she was cumming in Marie's mouth after only a few swipes of the tongue.

While Marie was busy sucking up the syrup I opened up our goody drawer and pulled out the thickest strap-on we own. I motioned for both my girls to roll over into a doggie squat, face down, ass up. I smacked both juicy rumps and took turns plugging up each hole up with my mock cock. While one hole was filled with plastic prick the other hole was busy eating up my fingers.

Since I know how much Marie loves oral sex, I commanded our new friend to get to work on her slit. "Lick her dry," I told her, as I decided to switch things up and slide my strap-on into her asshole. She gasped as it entered her, but after a short while she was slamming her body back onto my shaft.

Before our session came to a close both girls spread me open like a wishbone and licked me to perfection. It was the best feeling in the world. Two hot tongues tussling to enter my pussy hole was more than I could take. The result was two mouthfuls of delicious squirt and a birthday surprise that Marie and I will never forget.

HOW TO BE A STUD!

PART 17: WATCHING PORN TOGETHER!

While watching porn is, for many of us, a solitary pursuit – let no one come between us and our enjoyment of *Cum Dumpsters 4* – it can also enhance your love life. Things getting a little stale, perhaps? Maybe the answer is for you and your special one (on this one occasion we don't mean your penis) to slip in a DVD together to put some pep in your step. But get it right, or it can go oh-so-wrong, and then it's just you watching that DVD on your lonesome…

1: CLEAR THE WAY

First things first: you need to know if your partner has a strong opinion about porn one way or the other. Talk about it and find out. It may be they've never seen it, it may be they really hate it, or it might turn out that they've got a secret love for it. One thing's for sure, if you just slam in *Tinker With My Stinker* without doing your homework, you could end up watching it alone, and doing everything else alone too.

We figure Shyla Stylez – chugging back black dick in Jules Jordan's *Black Owned 3* – doesn't have mild tastes in porn.

Maybe an interacial DP isn't the place to kick off your shared porn watching.

2: GET THE RIGHT PORN

Okay, so your significant other is amenable to watching porn together. But, once more, don't just break out your copy of *One in the Pink, One in the Stink 2* unless you know that's the kind of porn they want to see. This is why couples porn exists – it's a safe middle ground which you can use as a basis for turning you both on. If she then tells you she'd rather watch some Japanese bukkake movies, lucky you.

www.stagmags.com & www.fantamag.com

3: DON'T COMPARE

The worst possible thing you could do when watching porn is to say to your wife/girlfriend, 'why can't you deepthroat as well as Belladonna?' You're watching porn together as an aid to your love-making, not so you can tell her how she doesn't measure up. Because if you do, she might just turn around and ask you why your dick isn't as big as Lexington Steele's.

Make sure you don't ask your wife why she doesn't do that. She might ask why your cock isn't the same as those.

Start off with something couples friendly...

...like Alektra Blue eating out Sammie Rhodes in Adam & Eve's *Bree & Kayden*.

And if she likes Bree Olson in this, she might like her getting fucked in the ass too.

4: BE INSPIRED!

You might just want to watch some porn and bring each other off. Great. Nothing wrong with that. But what you might also want to do is watch it to inspire your fucking. She might pick up some tips. You might too. Try some new moves and positions you've seen. There's a reason porn stars are paid to fuck – lots of them are really, really good at it. Watch some together, and you might get even better. If not, there's always *Cum Dumpsters 4...* ♣

MY CONFESSION!

"MY COOCHIE CONSOLATION!"

Whenever I go through a break-up with a guy, I tend to fall to pieces. And believe me, this break-up was so messy I decided I'd go one of two ways – get drunk, or invite a girlfriend over to bitch about the guy endlessly. In the end, my friend Carla (I've changed her name here) came over and I managed to do both.

Of course, once you've had a few glasses of wine, the rules go out the window, and Carla started asking me 'truth or dare' questions about sexy stuff I'd done with the guy. I was in the mood for truth.

Then it went even further and she asked me if I'd ever kissed a girl before. I had once or twice, so that's what I told her. Well, it was my turn to do the asking now, so I asked if she had. Yes, she replied. I couldn't believe it, but the combination of our nasty talk and the wine made me want to know more. And once I knew more – Carla was pretty explicit about the girls she'd fucked – I wasn't gonna say no when Carla asked if she could show me how good kissing her could feel.

We were giggling as we kissed, softly at first, but as my pussy started to tingle the kiss got harder and our tongues started exploring each other's mouth. Fuck it, I thought, and copped a feel of her tits. I broke off the kiss – "Show me what else you like to do with girls," I said. Carla's eyes lit up as she lifted up my dress, peeled aside my panties and started sucking on my cunt.

She was pleased to find out I was already wet, but not as pleased as I was when I found out how expert her tongue was. That dumb old guy of mine could never eat pussy this good.

Once she'd made me cum, I asked her if she'd let me taste her twat too. She just lay back, wriggled out of her jeans and presented me with her bare slit to feast on. She shuddered as my tongue gently explored it, and I tried to do the things to her that I like getting done to me. Seems like it did the trick, as I got a mouthful of sweet cream after a couple of minutes. Believe me, we didn't stop there, and the night just got wilder. I still see guys – sorry, but dick is my favorite thing of all – but whenever that goes wrong, Carla's the first person I call…

MY SEX LIFE!

"I'M A CUM-HUNGRY SLUT!"

One cold, wet Sunday morning recently, my fuck-buddy John (I've changed all names here) had gone to play golf and I was relaxing in a hot bath. I was wishing I wasn't alone, as I was feeling very horny, when the phone rang. I jumped out of the bath to answer it. It was John, calling to say the weather was too bad to play, so he was coming home and bringing a friend with him.

Soon his car pulled up in the driveway and he came inside, introducing his golfing buddy Paul, a much younger guy. He was soaked through, so I gave him one of John's robes to change into while I dried out his clothes.

While he was getting changed, John told me that Paul had come home unexpectedly a couple of days before to find his girlfriend in bed with two guys. I was ready to hear all the dirty details! Paul came back in and overheard us talking, so he told me a little more about what had happened. I had to admit to him that although it must have been very upsetting for him, it was many women's fantasy to have sex with two guys at the same time, mine included.

I went out to check on lunch and clearly heard John ask Paul if he'd like to share me. Paul said I was very sexy and he would be happy to make my fantasy a reality. Very excited, I went upstairs and changed into sexy black underwear, stockings and a garterbelt, with a short black robe on top.

I went back into the living room and told the guys there was a change to the lunch menu and they should get it while it was hot. They looked at me as if to check I was serious, and when I nodded and smiled, they came and sat either side of me on the sofa. Each of them placed a hand on my stockinged thighs and slid upward. I spread my legs and let my robe fall open, enjoying the sensation of two pairs of hands roaming over my body.

Paul was first to touch my tits and soon I felt his warm tongue licking my hard nipple. They pulled off my panties, exposing my shaved pussy, and started to rub my clit and slip fingers into my wet hole. I had my first orgasm at this point, and now I wanted to be fucked. Paul straddled my chest and I wrapped my tits around his cock, licking the tip each time it poked out of my cleavage. Then I took the whole thing deep in my mouth and started to suck hard. John was rubbing my clit and using three fingers in my very wet pussy, making me cum again.

I told Paul I wanted his cock in my cunt now and so he lay on his back and I straddled him and lowered myself down slowly so he could watch his cock entering my bald cunt. Then I rode him hard, slowing down each time he was ready to cum, so I could let him calm down and also suck John's cock for a while.

After being ridden hard for ages, Paul said he was going to cum, and I told him to blast his load inside my pussy. Then as soon as he pulled out, John shoved his cock in my spunk-filled pussy and gave me another hot load. I loved the feeling of the cum from two different cocks overflowing out of my pussy and running down my thighs. Every girl should try it! ***"Hot and Wet – North Virginia ♣***

ABBIE & NICK

www.storemags.com & www.fantamag.com

www.storemags.com & www.fantamag.com

www.storemags.com & www.fantamag.com

Abbie has got the kind of toybox that would make any self-respecting slut green with envy. It overflows with dildos, vibrators, beads, eggs and all kind of stuff custom-made to leave a pussy satisfied and throbbing. The problem is, none of these things are dicks, which is why a guy like Nick will always get some play.

Abbie keeps herself ticking over with a dildo thrusting in and out of her cunt, but it's a prelude to the real thing – a living, twitching dick that bucks and jumps between her lips as she sucks it to hardness. As his cock grows, so does her lust, and soon she's replacing her piece of plastic – which did as good a job as it can – with Nick's rod. The other downside of a dildo is that she knows every move she's going to make, but she doesn't know what Nick will do next. What he does is fuck her hard, long and deep, until she's creaming over his meat.

And there's one final upside to real dick – real cum, and Abbie makes the most of the mouthful of jizz Nick spurts out for her, making sure she swallows every last drop. And waiting for him to get hard again could be a downside, but we figure it won't take Nick long with his dick back in Abbie's mouth... ♣
